

Task Sheet

Introduction

The following document contains tasks for the usability experiment of the Virtual Record Treasury of Ireland (VRTI) Graph Editor. The tasks are designed to search, edit and create people in the VRTI graph. It should take approximately 30 minutes to complete the tasks and questionnaire. **Please time how long it takes you to complete the tasks (not including questionnaire). You do not need to time how long each task takes.**

Tasks

1. Login to the web application using the provided login details. Then, select the option to edit people resources. You will be done once you have reached the search bar/options page.
2. Search for a person by inputting the following "KG Person URI" in the first search bar: https://kb.virtualtreasury.ie/person/Markievicz_Constance-Georgine_c20_dib_a5452. Note down the date of birth date and 2 occupations shown in the results table. The search results table refers to the table which appears when you select the "Search" button. You will be done once you have noted information which will be required for Q1 and Q2 of the understanding questionnaire.
3. Clear the search and select the "Interest" search filter and then select the value of "Education" from the dropdown. Note down the first and last name of the first person who appears in the search results table. You will be done once you have noted information which will be required for Q3 of the understanding questionnaire.
4. Clear the search and select the "DIB ID" search filter and enter the value "a1244" in the search bar. Note down the name of the first person who appears in the search results table. You will be done once you have noted information which will be required for Q4 of the understanding questionnaire.
5. Clear the search and search for a person by inputting the following "Identifier Search" in the first search bar: https://kb.virtualtreasury.ie/person/Vicars_Arthur-Edward_c20_dib_a8813. Select the "Edit" button shown on the left side of the search results table. Once you are redirected, note down the value of the "Named Graph" shown below the person's name. Then, select the "Show Links" button in the top right corner. Note down name of the links which appear under the "External" and "VRTI Internal" headings of the table. You will be done once you have noted information which will be required for Q5, Q6 and Q7 of the understanding questionnaire.
6. Select the "Edit Resource" button at the bottom of the page. Once the page has reloaded select the "Places" tab at the top of the page. Select dropdown for the "Death Place" with the value of "Co. Kerry". Select the value "Ireland" from the dropdown. You will be done once "Ireland" is shown in the dropdown.
7. Select the "Career" tab on the same page. Then, add a new "Interest" with the value of "Military" by selecting the + icon beside the existing Interest. Select the "Submit to Development Graph" button at the bottom of the page and select "Confirm Edits" in the

popup. Once redirected to the previous page, validate the edits you have completed. You will be done once you have validated that the edits have been successfully completed.

8. Navigate back to the original person search page by clicking the image of the VRTI logo at the top of the page. Then select the people's perspective. Select a search filter of your choice and complete a search. Select the "Create Person" button below the "Search" button. Then, create a person with the following associated attributes by navigating through the tabs at the top of the page:
 - a. **Normalized Forename:** Marie
 - b. **Normalized Surname:** Curie
 - c. **Gender:** Female
 - d. **Date of Birth Lower and Upper:** 07-11-1867
 - e. **Date of Death Lower and Upper:** 04-07-1934
 - f. **Occupation Name:** chemist
 - g. **Place of Birth:** Poland
 - h. **Place of Death:** France

You will be done once the application has shown a message stating "Successfully Created Resource(s)"
